## **Graffiti Hotline for GVR**

In an effort to combat the growing challenge of keeping Green Valley Ranch “graffiti free” the GVR Metropolitan District has established a hotline for reporting graffiti in our community. To report graffiti please call the **GVR GRAFFITI HOTLINE at: (303) 307-3247**. You will only be asked for the location of the graffiti. A community volunteer will take care of the removal.

If you would like to get involved in helping remove graffiti from your neighborhood mailboxes, utility boxes, fences, bridges & underpasses along the Highline Canal, you can "**ADOPT A SPOT.**" To sign up and designate the area you would like to monitor, please call the hotline. Whenever you see graffiti on your “adopted spot” simply call the hotline and a volunteer will remove the graffiti.
