

Master Homeowners Association for Green Valley Ranch

**SUMMARY OF COMMUNITY INFORMATION FORUM  
HOSTED BY THE BOARD OF DIRECTORS  
ON WEDNESDAY, JUNE 25, 2008**

Presentations began at 6:00 P.M.

Officer Anita Gomez, from District 5, Denver Police Department, reported the following:

- The amount of graffiti in the neighborhood has gone down in recent months;
- Crimes against property have gone down 24.3%; and
- Answered a number of questions from homeowners regarding illegally parked vehicles, and the need for more officers in the area.

Mark Wonder from the Colorado Department of Transportation reported the following:

- Gave an update on the I-70 East Project which will expand the lanes and make improvements to the interchange at Tower Road; and
- Announced that there would be meetings on upcoming transit upgrades involving RTD. Referred attendees that they could get more information regarding both the I-70 East project and the RTD expansion at [www.eastcorridor.com](http://www.eastcorridor.com).

Joanne True, Chair of the Community Center Committee gave an update on the design and construction of the new Community Center.
